## Flea-Fly Game Slated Nov. 20

Small but mighty, the grammar graders will compete in the annual Flea-Fly Classic Tournament, Sunday November 20, at 2:30 P.M., at the S.S.C. Stadium.

Sponsored jointly by the local chapter of the Knights of Columbus and St. Stanislaus College, the six teams, three flies, three fleas, will each play 4, 6 minutes quarters.

**Beginning with the smallest team, the teams substitute one another on the field and continue from the position gained by the previous team, until each two teams have met four times.**

Coaching the smallest flea team is Brother Valery; the second flea team, Paul Fasullo, assisted by Bob Troxler; the third team, Brother Roger.

**Brother Bede coaches the first fly team; Carl Andrews, assisted by Jim Wilkes, the second fly team; and Frank Lee, assisted by Donald Dufresne, the third team.**

Halftime ceremonies will include presentation of the court, the queen and 5 maids.

The court and their escorts will be selected on the basis of tickets sold by those wishing to be members of the court.

**Arrangements for the classic are under the direction of Brother Valery, S.C., and Mr. Nelius Favre.**

The Flea-Fly classic has been one of long tradition. Brother Peter, President of St. Stanislaus College, organized it in 1916 for the purpose of raising a Christmas fund for the needy in the area.

Mr. Ballard of the **Sea Coast Echo** was responsible for the very appropriate name which too, has become traditional, as a result of his newspaper coverage of the game.

## SSC Participates In Veterans Parade

Honoring the veterans of past wars, SSC students participated in the annual Veteran's Day Demonstration held on Friday, November 11th.

Assembling at Bay High School, together with the schools of Hancock County, Stanislaus marched in military formation through the streets of Bay St. Louis.

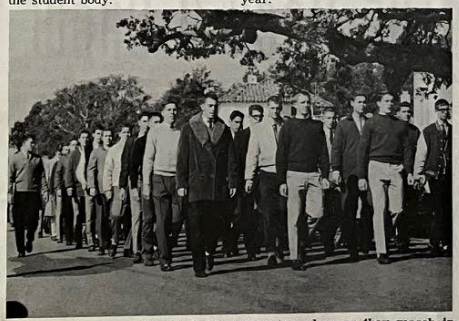
Gathering at the court house, memorial services were conducted under a auspices of Mr. Clement Bontemps of the American Legion Post 139.

The Right Reverend Martin Maloney, pastor of Our Lady of the Gulf Church, opened the demonstration with a prayer.

Guest speaker for the occasion was Mr. Robert Rice of Gulfport, an outstanding member of the American Legion.

Mayor John Scafidi also spoke briefly to the assembled group.

In honor of the occasion Brother Philip, Principal of St. Stanislaus College, granted a half holiday to the student body.



**Caught in the camera's eye, is the sophomore class as they march in the veterans day parade.**

## Rock-A-Chaw Squad Loses Senior Members As Football Season Closes

**RETIRING MEMBERS of the squad are seniors (left to right) standing: Jean Larroux, E. J. Babin, Bobby Lobrano, Billy App, and John Robichaux. Kneeling: Louie Jacobi, Buddie Wilson, Prieur Leary, Pat Mashburn, Jack Norman, and Steve Butaud.**

With the close of the football season, the Rock-A-Chaws will lose eleven seniors.

Moving up to the varsity after a year on the junior team, **Billy App,** lettered his first year on the squad.

Now as a senior, he has taken over the No. 1 right offensive guard position for the Rock-A-Chaws.

**A veteran of three years on the varsity team, E. J. Babin fills the position of offensive quarterback. He fills both the offensive and defensive halfback post. E. J. lettered last year.**

After playing with Rayne High School in Rayne, Louisiana, **Steve Butaud** came to S.S.C. as a Junior boarder and quickly took over the defensive linebacker position for the Rocks.

**This past season, letterman Steve has shifted to the offensive end, where he has become one of the Rocks' top pass receivers. He is tri-captain of the squad.**

In his sophomore year, **Louie Jacobi** gained a position of the Rock-A-Chaw varsity as an alternate tackle. Last year he broke into the starting lineup as offensive tackle.

This year, Louis has been a rugged defensive and offensive tackle, and has done all the Rock punting. Louis lettered last year.

**Jean Larroux** joined the Rock-A-Chaw squad in his junior year, and became the reserve fullback. Moving into the starting lineup in his senior year, Jean has also been in the offensive lineup during the season.

**After only one year on the junior varsity, tri-captain Bobby Lobrano moved into the Rock-A-Chaw starting lineup as offensive quarterback.**

In addition to lettering last year, Bobby was awarded the Most Spirited Player trophy at the athletic banquet.

**Having played on the "B" team since the eighth grade, letterman Prieur Leary moved into the Rock starting lineup in his junior year and has held that post since.**

He has been the mainstay in the Rock-A-Chaw line throughout the year, and has done equally well on offense.

Following one year with the "B" team, **Pat Mashburn** gained a place on the Rock-A-Chaw squad.

He saw little action his first year, but moved into starting offensive center at the beginning of his junior year, and has held that position since.

Pat is tri-captain of the team in his senior year, and is a strong point in the Rocks' line.

**Coming to Stanislaus in his senior year, Jack Norman moved into the offensive lineup at right end. His first time in an S.S.C. uniform, Jack has been a fine pass receiver and hustler throughout the season.**

In his first year on the varsity, **John Robichaux** has earnd for himself an admirable place on the Rock-A-Chaw defensive line.

A reserve in the early season games, John has become a starting defensive tackle.

In this, **Buddie Wilson's** third year on the Rock-A-Chaw varsity, he has become an all-around performer for S.S.C.

Buddie having played end in his sophomore and junior years, has moved to fullback in the Rocks' defense, and maintains his position as defensive end. Buddie lettered last year.

## Father Kelly Joins Stanislaus Faculty

Joining the faculty this year, as teacher of Religion, is The Reverend Father Michael Kelly, assistant pastor of Our Lady of the Gulf Church.

Father meets each class in the school—seniors through fifth graders—once a week for special instructions.

A native of Carlow, Ireland, Father studied at St. Patrick's Seminary and was ordained in Ireland.

He came to Bay St. Louis, last year.

## B. Brendan Forms Student Choir

Encouraging a more active participation in liturgical services, among the boarders, Brothers Brendan and Marius have organized a student choir.

At present the group is preparing a series of hymns to be used during Benediction services.

Practices are currently scheduled three times weekly in the evening.

## Juniors Elect Gex President of Class

Joe Gex was elected to the position of president, Donald Smith was voted to the office of vice-president and Alex Callia received the post of treasurer.

It was unanimously decided that Brother Godfrey, junior homeroom teacher, would function as secretary.

Elected for the purpose of repreenting the class at school functions, the officers will primarily concern themselves with partial preparation and arrangement of the Junior-Senior Prom.

**NEWLY ELECTED officers of the junior class are, (left to right): Alex Callia, secretary; Joe Gex, president; Donald Smith, vice-president.**

## L. U. To Give College Exams

Members of the senior class will journey to New Orleans on Saturday, December 3, to take the Scholastic Aptitude Test at Loyola University.

The SAT, which will be taken by thousands of seniors across the land at various dates and places this year and next, has as its purpose the helping of colleges in making choices among students applying for admission.

It is a three hour test, divided into five and six sections.

Two separate scores, ranging on a scale from 200 to 800, are given, one on the verbal section of the test and the other on the mathematical sections.

These scores are then sent to the college named by the individual participants, where they are interpreted by the college admission offices.

If the student has applied for admissions, these scores, together with the student's school record and the principal's report, help the college to make the decision whether to admit the applicant or not.

# Senior Steve Butaud Receives Student of the Month Award

Senior Steve Butaud, an outstanding student and all round athlete, has been named leader of the month.

Boarding here at S.S.C., two years now Steve has, during that time maintained a consistent honor student record.

In addition to keeping a pace with his school work, he has been an active member of the Confraternity of the Sacred Heart.

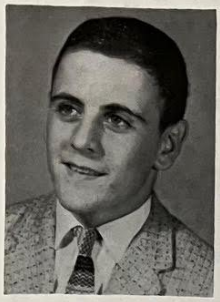
Last year he attended the student convention held in New Orleans, as a delegate.

This year he holds the post of vice-president of the senior division of the confraternity.

Tri-captain of the football team, and a letterman of last year, Steve has filled the posts of offensive center and end; and defensive positions of linebacker, end, and cornerback.

He has proven himself equally capable in track. He invariably placed first in the mile competition. He also qualified for district in that same category.

Interscholastic sports also finds him a willing participant. He has in past years helped his team in



Steve Butaud

yard league activities, and in the annual intramural basketball tournament.

## Democracy's Great Inheritance

The presidency of the United States has been and will continue to be the most important policial office in this country, and due to the delicate world situation now existing, its importance abroad is inestimable.

In a world as unsettled as our where a few missiles can wipe whole countries and possibly continents off the face of the earth, our principal defense consists in our diplomacy and the ability of our leaders to secure a lasting peace.

Every American had a duty to himself and to his fellow citizens to consider, investigate, and choose the candidate who, in his opinion, would possess the best qualifications and the necessary experience to assume the role of president.

In this more than any election year, the voters had innumerable opportunities to view and to hear the candidates express themselves through the radio and television, magazines and newspapers, and personal appearances.

It is important to note that the above could only have been accomplished in a country where liberty, justice, and the innate rights and obligations of the individual are respected.

We have every reason to be proud of our heritage as Americans. or these liberties and ideals our forefathers paid dearly; they are privileges that few people throughout the world enjoy.

# Once-A-Year Thanks

Thursday of next week has been set aside as Thanksgiving Day. Our tables will be groaning under the weight of the traditional holiday dinner.

Prayers of thanksgiving will storm heaven for the blessings that have been ours during the year. This, for many, is their day of Thanksgiving.

We speak with pride of our modern way of life, of our nation, as our outstanding example of democracy in a free world. We speak, and rightly so, of all the good things that we enjoy in this country—all the product of the initiative of a free people.

By all means we should observe Thanksgiving Day, but let us not limit the expressing of our gratitude to an annual prayer.

Do we forget this fact 364 out of the 365 in the year then try of fulfill our obligation on that special day?

What we are doing can be simply illustrated: a student goes through the school term not applying himself and then shortly before the test tries to cram everything in. He may possibly make a good showing, but his method is all wrong.

The same applies to us in our relationship to God.

Entre los latinos

## Planes y Comentarios de Thanksgiving

**Por Raul Matamoros**

Ya que se aproximan los feriados de Thanksgiving nuestros colegas estan planeando adonde dirigirse el dia que comienzen.

Enrique Diez parece que lo primero que va hacer es coger el bus amarillo que sale del convento a las dos y dieciocho para el Kiln. Alli pasara los feriados monteando pues dice que es el deporte que mas le gusta.

Juan Solis dice que a el nadie lo saca del colegio pues parece que hay cierta persona que le va a traer los periodicos en esos dias y esta vez se los va a leer pues a esta persona (ella) le gusta hablar.

Rafael Ortiz parece que se le olvido que Arizona queda mil millas de aqui pues esta vez solo ira 500 hasta Lafayette.

A Ricardo Matamoros y Oscar Herrera nadie los sacara de Bay St. Louis pues me dicen que tienen un contrato para ensenarle a jugar tennis al sexo opuesto.

Richard llego a un acuerdo y convencio a Herrera que el mejor lugar es la cancha del convento.

El sabra por que? Y Herrera tambien, pues no tomo mucho para convencerlo.

Jorge Casares (Harpo Marx) se ira a New Orleans ya que le viene un cargamento de harpas de Vienna. Waldo Caceres se ira para Hattiesburg; dice que las latinas no quieren bailar con el, y eso lo enoja.

Del resto de los latinos solo Dianous, Stadthagen, y Dabdoub se van; Saravanja, Pastor y Mora y Hernandez se quedan.

Algunas personas estan comentando que los dias de Ortiz estan contados, pero nuestros reporteros secretos han encontrado la verdad. Ellos reportan que lo que pasa es que el no puede decidir quien le cae mejor si la canadiense en el convento o la enfermera; a la del convento la puede ver con frecuencia pero a la enfermera solo cuando se enferma.

## Grammar Graders

**By Richard Smith**

Students of the grammar grades will shortly organize themselves into the Boy Savior youth movement.

The organization will be divided into two groups, the Boy Savior Cadets, which will include the fifth and sixth grades; the Boy Savior Regiment which will consist of the seventh and eighth graders.

The Boy Savior Youth Movement is a crusade for youth (both boys and girls) whose object is to combat juvenile delinquency and to make themselves better followers of Christ, their Captain.

It also prepares the members for more active participation in sodalities, the Confraternity of the Sacred Heart and other parish and school organizations.

During the term the California Mental Maturity tests were given to both eighth grades. They were administered under the supervision of the Natchez-Jackson diocese.

Fifth and sixth graders are now, as part of their science work, having experiments in chemistry.

Seven B is presently studying plant and bird life.

**Hemo and Magnificent,** an educational film on the heart, was shown to the 7th, 6th, and 5th graders.

In conjunction with this, 6 B is having a project on the digestive and circulatory system. Henry Develle heads the project.

History and geography classes were made more interesting as Brother Roderic's sixth graders wrote letters gathering information and background on the Canadian provinces.

In charge of the project were: Hanson, Shumski, Griffon, Taylor, Brown, Johnson, and McGinity.

## 'Vues n Views

**By Richard Matamoros**

Movie-goers among us can look forward to two films shortly to be shown:

**Ice Palace**

Way back in 1867, when Secretary of State Seward completed negotiations for the purchase of Alaska, he never thought that the movie-makers of America would turn to his "folly" as a source of entertainment.

**Based on Edna Ferber's novel, our forty-ninth state is the locale of this movie.**

**Robert Ryan and Richard Burton are starred as ambitious men who hate one another.**

Richard Burton's disastrous airplane crash leaves him at the mercy of Robert Ryan who is instilled with three generations of family hatred for his rival.

**Ocean's Eleven**

Las Vegas, casinos, money, New Year's eve, Danny Ocean and his eleven pals—mix them up and anything happens!

**Frank Sinatra, and his clansmen, Dean Martin, Peter Lawford, Joey Bishop, Sammy Davis, Akim Tamiroff, and Angie Dickinson head the cast.**

The suspense builds up to a climax that is a "ball."

If you're the type that likes his laughs at seat's edge, this is a must!

Passing on to the literary field, have you read: **The Embattled** by Javier Martin Artajo, a moving description of Spain suffering the pains of internal conflict during the civil war of the '30's.

Imprisoned in a loyalist prison, a group of men typify the emotions felt by the Spanish people who are torn between hope and fear, heroism and cowardice, as they find themselves entrapped in an atmosphere of treachery and destruction.

**Master of Deceit** by J. Edgar Hoover, is a documentary account of communism.

Written by the head of the FBI Department, it traces the development of this menace to freedom from its infancy to the threat that is has become today.

**Seniors, if Macbeth or Banquo leave you unimpressed on paper, perhaps the 24 inch screen can make it much more interesting.**

Maurice Evans will portray the Thane of Cawdor on the Hallmark Hall of Fame presentation of **Macbeth** this Sunday, Nov. 20, at 7:00 on channel 6.

Heading the disc parade are a number of popular songs. A beautiful instrumental by Lloyd Kramer, **Last Date,** has held the top position for a number of weeks.

Rising fast and staying on top, is a jazzed-up version of an oldie—**To each His Own,** by the Platters.

In closing, to the seniors who stay up late, we dedicate Ernie Freeman's **Dark at the Top of the Stairs.**

**ENTERTAINING THE seniors during free time with their versions of popular rock-n-roll songs are Tommy Ewton, (left); and Steve Blailock.**

# Blailock, Ewton, Entertain Big Study Hall With Rock-N-Roll

Steve Blailock and Tommy Ewton really come out with some sharp Rock-n'Roll.

They have been filling the senior recreation hall with their versions of popular music, accompanying one another on their electric guitars.

Interviewing Steve a few days ago, this reporter learned that he plays entirely by ear and has never had formal instructions in music.

Steve spends much of his free time getting down the latest tunes. He is also talented at the piano.

Steve has appeared with five bands and enjoys playing progressive and popular music.

Tommy is equally talented with the guitar and has studied music for three years. He also plays by ear.

Steve and Tommy played a few numbers at the first dance on the campus.

Steve is a newcomer to St. Stanislaus, from McComb, Mississippi. Tommy, a boarder for three years, is from Amarillo, Texas.

## Sidelines Club Sponsors Traditional Turkey Shoot

Reviving the tradition of our forefathers, the Sidelines Club sponsored its fifth annual Turkey Shoot.

Held at St. Stanislaus Stadium during the past two Sundays, the shoots took place in the early afternoon.

Proceeds were directed toward financing the latest project of the Sidelines Club, the new bleachers at the stadium.

Being held shortly before Thanksgiving, the shoots attracted many who were determined in obtaining their turkey through their marksmanship abilities.
